Dear Sir:

Re: Contract FP-1054

In my letter to you of July 29, 1958, returning executed copies of Amendment No. 9 to the subject contract, I called your attention to our desire to incorporate a revised price schedule for the items procured and to be effective on July 1, 1958. This was necessary to bring the item descriptions up to date, to eliminate items no longer being procured, and to adjust prices to our latest quotations for similar material.

Accordingly, you will find attached two copies of a proposed schedule to be effective on July 1, 1958. I would appreciate receiving at your convenience a further supplement incorporating this revised schedule. This schedule is identical to that being proposed to you for HF-2410 by letter of even date.

Enclosure
